

**CVs of the new candidates for the election
to the Supervisory Board
Annual General Meeting 2022 – 28th June 2022**

Dr. Dongzhou Jeffery Liu, PhD

CSO and President of Huadong Global Development, Huadong Medicine Co., Ltd., Hangzhou, China

Since 2020, Dr. Liu is Chief Scientific Officer (CSO) at Huadong Medicine and President of Huadong Global Development in Hangzhou, China, focusing on accelerating innovation and optimizing drug development to bring safe and efficacious medicines to patients. Prior to that, he served as President R&D at Raynovent Biotechnology Co., Ltd, Guangzhou, China. From 2007 to 2019, he was Head of Clinical Development, Clinical Director and Medical Development Leader at GlaxoSmithKline (USA). Dr. Liu also worked at Wyeth (USA, now Pfizer, 1998-2003) and Forest Labs (USA, now Allergan, 2003-2007) with increasing responsibilities. His more than 20 years of industry experience include clinical and preclinical research & development of medicinal products. He contributed to several globally launched products. He obtained a PhD in Immunology/Biochemistry from Nankai University, Tianjin, China, a Master of Science in computer sciences from New York Long Island University, New York, USA, and a Bachelor of Science in Chemistry, Nankai University. He also obtained an EMBA from Stony Brook University, New York, USA. Dr. Liu is a visiting/adjunct professor at SUNY-Old Westbury, New York, USA, and at Tianjin University School of Pharmacy, Tianjin, China.

Dr. Brady Xumin Zhao, MD, PhD

Vice President, China Grand Enterprise, Inc., Beijing, China, controlling company of Huadong Medicine Co., Ltd., Hangzhou, China

Since 2021, Dr. Zhao is Vice President at China Grand Enterprise Inc. (CGE), located in Beijing, China. CGE is the controlling company of Huadong Medicine Co., Ltd. Prior to that, Dr. Zhao served as Head, Late Stage Oncology Clinical Development at Bayer from 2019 to 2021. From 2015 to 2019, he worked as Senior Director/Clinical Research Director at MSD. He held various positions in pharma companies, including Ferring, Pfizer, Bayer and Janssen. Before he started his career in industry, he worked as a physician at Beijing TongRen Hospital, Beijing, China. Dr. Zhao holds a PhD in medicine from Peking University, Beijing, China, and an MBA from Tsinghua University, Beijing, China.
